**PETITION TO REVIVE UNDER 37 CFR 1.137(b)**

The above-identified application became abandoned for failure to respond to a "Notice of Drawing Inconsistency with Specification" mailed on 05/08/2006 to Heller Ehrman White and MyAuliffe LLP.

The entire delay until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Attached is form SB/64 Petition For Revival of an Application for Patent Abandoned Unintentionally Under 37 CFR 1.137(b). Also attached are a power of attorney, a response to the notice, and credit card payment of a \$750 revival fee.

Please charge any shortage in fees due in connection with the filing of this paper to Deposit Account No. 50-4257. Please credit any excess fees to such deposit account.

Respectfully submitted,

Marvin Motsenbocker
